Motion carried unanimously.

Gary Bork, Community Social Services, requested approval to hire temporary staff to implement electronic medical records. He indicated they would transfer funds within the department to fund this. He pointed out the requirement to have all medical records electronic by 2014 and they have purchased the system to allow them to do this. Bork stated they have decreased staff over the last two budget cycles and while they are able to handle the day to day operations, they do not have staff to handle this project.

Maluchnik moved, Degler seconded, to authorize the Social Services Division to hire or contract for temporary staff to scan behavioral health medical records. Motion carried unanimously.

Bill Weckman, Public Works, requested the Board approve an agreement for right of way negotiations for the CSAH 11 roadway project. In order to do the project, he stated they needed to acquire property and easement rights from 14 different property owners. He indicated acquisition of these properties is complicated, would be a very time consuming process and they have elected to negotiate a contract with Dan Wilson to do the negotiations.

Workman clarified he would be abstaining as he had relatives living along the corridor.

Degler moved, Lynch seconded, to authorize the Chair and Administrator to sign the professional services agreement with Wilson Development Services contingent on approval of the County Attorney and Risk Management. Degler, Ische, Lynch, Maluchnik voted aye. Workman abstained. Motion carried.

Weckman requested the Board adopt an eminent domain Resolution for construction of CSAH 11 from CSAH 61 to CSAH 10. He stated offers for right of way have been sent out and they are trying to get the project on track to start construction this spring. He indicated they needed to be assured access to the properties and they were asking for approval to have the County Attorney to begin putting together the papers for acquisition of the property. Weckman stressed they will continue to negotiate with the property owners and have as many negotiated settlements as they can. He clarified the project included three million in federal funds and reviewed the timelines they must follow.

Workman clarified he would again be abstaining.

Maluchnik offered the following Resolution, seconded by Degler:

Resolution # 14-12  
Eminent Domain – SP 10-611-06

On vote taken, Degler, Ische, Lynch, Maluchnik voted aye. Workman abstained.

Martin Walsh, Parks, requested approval to authorize bids for phase II of the Dakota Rail Regional Trail. He stated phase I was completed last year and phase II was ½ miles extending from Mayer further to the West.

He pointed out federal funding that was received and the projected costs of the project. He reviewed possible funding sources to cover the cost above the identified funding and ways they would be looking to bring the project costs down. He pointed out the favorable bid climate to move the project forward. Walsh noted the bids would be brought back to the Board and the Board could chose to reject them.

Degler moved, Lynch seconded, to authorize Phase II of the Dakota Trail Regional Trail to be advertised for bid. Motion carried unanimously.

Degler moved, Maluchnik seconded, to go into closed session at 9:40 a.m. according to Minnesota Statutes Section 13D.05 in order to discuss confidential appraisal data for property located at 809 Old Beach Lane. Motion carried unanimously.

The Board adjourned the closed and Regular Session at 10:38 a.m.

David Henze  
County Administrator

(These proceedings contain summaries of resolutions. The full text of the resolutions are available for public inspection in the office of the county administrator.)
