New manager at QualiTech

QualiTech, maker of SQM protected trace minerals and a leading manufacturer of animal feed components for over 40 years, recently hired Steve Weiland to head up its research and quality assurance department.

As quality assurance manager, Weiland is responsible for all facets of quality assurance, including overall strategy, chemical expertise, training, quality support testing and manufacturing technology.

Weiland has over 25 years of experience in research and quality assurance in manufacturing businesses. He has a master's degree in microbiology, a bachelor of science in biology and a bachelor of arts in chemistry.

He has worked for McKee Foods, Hilmar Cheese Company, Minneapolis Water Works, and Dairy Quality Control Incorporated in a variety of roles.

"The incredible experience and attention to detail Steve brings to QualiTech will ensure that we will continue to have an outstanding quality assurance program," stated Dan Gray, vice president of Animal Nutrition for QualiTech.

QualiTech, located in Chaska, was founded in 1967 and is privately held. For more information visit qualitechco.com or call (800) 328-5870.

New V.P. at KleinBank

Teresa Ziebarth has joined Chaska-based KleinBank as senior vice president chief marketing and human resources

officer. She will also serve as a member of the KleinBank executive team, according to a KleinBank press release.

"We are pleased to have Teresa in this key role. Her extensive experience and proven background in marketing, strategic management, and leadership development coupled with her sales management experience in financial services will be a valuable asset to KleinBank," stated Doug Hile, president/CEO of KleinBank.

Ziebarth has over 20 years of expertise in the financial services industry. She comes to KleinBank from Wells Fargo Bank where she served as Vice President of Leadership and Management Development and Director of the Sales Learning Academy.

Ziebarth has also held executive level positions with Mar-

quette Financial Companies and Farm Credit System, Inc.

Originally from Luverne, Minn., Ziebarth holds a Bachelor of Science degree from Minnesota State University. She is a graduate of the ABA School of Bank Marketing Executive Program at the University of Colorado. She also graduated with distinction from the ABA Stonier Graduate School of Banking at the University of Delaware.

During her career, Teresa has served numerous professional associations as a director including the ABA Education Foundation Board, ABA Marketing Board, Carlson School of Management Undergraduate Advisory Board and also served as a faculty member and advisor for the ABA School of Bank Marketing.

Anderson is Platinum

Greg Anderson, Broker/Owner of RE/MAX Advisors West in Chaska was recently recognized at the RE/MAX North Central Day of Distinction and Awards Celebration for his outstanding achievement in 2011.

Anderson was recognized and named to the Platinum Club level, according to a RE/MAX press release. As the third highest regional honor for sales in a single year, only 4 percent of nearly 2,000 RE/MAX North Central associates in Minnesota and Wisconsin achieved the Platinum Club level, the release stated.

"Receiving any RE/MAX award in today's market is a great accomplishment. These achievements come from a lot

of hard work and commitment throughout the year," stated David Linger, RE/MAX North Central Executive vice president and regional director.

NOTICE OF PUBLIC HEARING AND INTENT TO ADOPT COUNTY OF CARVER CHASKA, MINNESOTA
TO: ADOPT THE 2011-2030 REGIONAL SOLID WASTE MASTER PLAN AND THE 2012-2030 CARVER COUNTY SOLID WASTE MASTER PLAN
NOTICE IS HEREBY GIVEN that on Tuesday, the 20th day of March, 2012 as soon as possible after 4:00 p.m. upstairs in the Social Services wing in the Commissioner's Meeting Room of the Carver County Government Center, Chaska, Minnesota, the Carver County Board of Commissioners will hold a public hearing to consider the adoption of the Regional Solid Waste Master Plan and the Carver County Solid Waste Master Plan.

Metropolitan counties are required by Minnesota Statute 473.803 to adopt solid waste master plans following the Minnesota Pollution Control Agency's (MPCA) adoption of the Metropolitan Solid Waste Management Policy Plan (Policy Plan). Carver County has worked with the Solid Waste Management Coordinating Board (SWMCB) and the Water, Environment and Natural Resources (WENR) committee to develop a Regional Solid Waste Master Plan and draft Carver County Solid Waste Master Plan. The Plans include regional / county efforts and show how the region/ county will implement the goals and policies outlined in the Policy Plan. These documents become the Master Plans for managing Regional solid waste and Carver County solid waste through the years 2012-2030. The Master Plans include, but are not limited to, a description of the current solid waste management system and goals and strategies for programs including education and outreach, regulation, land disposal, resource recovery, organics management, recycling, source reduction and reuse, non-MSW management, hazardous waste, cost and finance and yard waste. Recent changes to the draft document were proposed to highlight increased recycling efforts in organics and in the business sector.

Copies of the Policy Plan, Regional Solid Waste Master Plan and draft Carver County Solid Waste Master Plan are available online at www.co.carver.mn.us or from Carver County Environmental Services.
All persons interested are invited to attend the hearing and be heard on this matter. Written comment may be mailed to: Public Health & Environment Department of Environmental Services

Motion carried unanimously.
Lyndon Robjent, Public Works,

requested Board approval of a joint powers agreement between the County of Carver and the cities of Carver and Victoria for the purchase and operation of two road sweepers. He noted the equipment sharing agreement they had been working on through the ACCEL group and part of that also contemplated the idea of a joint equipment purchase. Robjent explained the County would pay 50% and the two cities will each pay 25% of the cost. He clarified the agreement includes how the equipment would be maintained and who pays for the repairs and maintenance. He added they would have regular meetings with the cities to come up with a work plan on who will have it when and at what time.

Lynch moved, Degler seconded, to approve the joint powers agreement between Carver County, the City of Carver and the City of Victoria for the cooperative purchase and operation of two road sweepers subject to review and approval of the County Attorney Office and Risk Management. Motion carried unanimously.

Robjent requested the Board adopt a Resolution indicating a negative declaration on the need for an EIS on the CSAH 11 (SP 10-611-06) roadway project. He explained they were getting ready for construction and, because it includes federal and State funds, an environmental assessment was needed. He stated an environmental assessment worksheet was completed, was put out for public comment and they are ready to move forward.

He indicated the Resolutions states that they have gone through the process, addressed all of the comments and the findings do not trigger a need for an EIS.

Maluchnik offered the following Resolution
