## *ANNIVERSARY ANNOUNCEMENT*

Photographs can be used with your announcement. The photograph should be a close shot and can be either black and white or color. Pictures that develop immediately after they're taken and those printed from computer images do not reproduce well. The photos will be filed and may be picked up at the office after they appear in the paper. If space permits current and wedding photos can be used.

**PLEASE TYPE OR PRINT CLEARLY. Do not abbreviate. The Tribune does not take responsibility for information in forms not type written, for photographs left for reproduction or for names and towns spelled incorrectly on this form.** The deadline for anniversary announcements is Tuesday at 5 p.m. for the following Saturday publication. Include a telephone number at the bottom of this form so you can be contacted if there are any questions.
