

Save on Healthcare Costs

And Earn Valuable Incentives

How Healthcare Bluebook™ can help.

Want to save money on healthcare services for you and your family? Healthcare Bluebook and your employer are working hard to help you spend less on your healthcare! You can earn cash incentives as part of the Go Green to Get Green™ program.

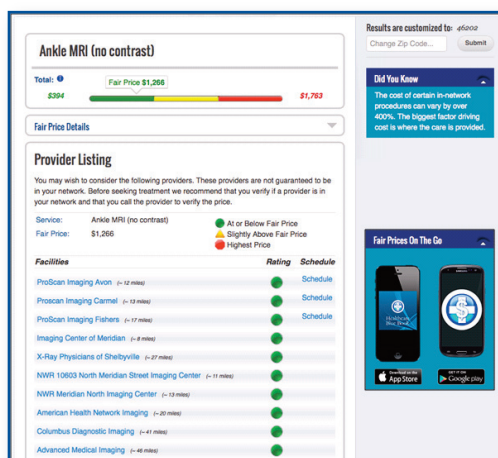

“Go Green to Get Green” and earn cash incentives.

Within the Healthcare Bluebook tool, providers are listed as *green*, *yellow* or *red*. Your employer offers incentives for certain healthcare services when you visit a “green” provider. That’s because “green” providers offer services at the most reasonable rates, providing you the most value for your healthcare dollar. When you visit “green” providers for the following healthcare services, you’ll earn a cash incentive:

- Colonoscopy
- Upper GI endoscopy
- Sleep study
- CT scans
- MRIs
- Doppler exam of the heart
- Heart ECHO imaging
- Heart perfusion imaging
- Tonsil and adenoid removal
- Ear tubes
- Cataract surgery
- Laparoscopic cholecystectomy
- Lithotripsy
- Knee arthroscopy
- Shoulder arthroscopy

How to locate providers using Healthcare Bluebook:

1. Log into your member portal at www.myMERITAIN.com. If you don’t have an account, create one by following the prompts.
2. Once you’ve registered your account, click on the *Cost Information* tab along the top menu bar.
3. Choose *Healthcare Bluebook* from the drop-down box. Now you’re ready to begin!
4. To search for specific healthcare services, use the drop-down menu or enter text into the search box.
5. Healthcare Bluebook will display pricing and provider information, including green, yellow and red provider rankings.

Questions?

If you have questions or need help finding a provider, contact Healthcare Bluebook Customer Support at 1.800.341.0504. You can also contact Meritain Health Customer Service using the phone number located on your member ID Card.
