NOTICE

PUBLIC NOTICE

NOTICE OF AVAILABILITY DRAFT ENVIRONMENTAL ASSESSMENT DICKENSON COUNTY PUBLIC SCHOOLS CONSOLIDATED MIDDLE/HIGH SCHOOL COMPLEX SECTION 202 CONSTRUCTION PROJECT DICKENSON COUNTY, VIRGINIA

* This notice is to amend the previous notices published on October 31, 2012 and November 7, 2012 indicating the documents would be available on or about November 5, 2012.

The U.S. Army Corps of Engineers, Huntington District, by this Notice of Availability (NOA), advises the public that the Draft Environmental Assessment (DEA) for the Dickenson County Public Schools Consolidated Middle/High School Complex, Section 202 Project is complete and available for public review. The U.S. Army Corps of Engineers, Huntington District is the lead Federal Agency. The U.S. Department of Agriculture, Rural Housing Service is actively serving as a cooperating and consulting Federal Agency. The project is receiving funding from both agencies and qualifies as a Federal action for both. The project is located in Dickenson County, Virginia. Permanent and temporary impacts to streams and wetlands are anticipated with the proposed project. Required permits will be obtained and compensatory mitigation will be completed. Temporary increases in noise levels are anticipated during the construction of the school complex, and minor increases in noise and traffic near the campus upon completion. Positive impacts to the floodplain are anticipated as a result of the proposed project. A Finding of No Significant Impact (FONSI) for both agencies is anticipated for the proposed project. A Draft FONSI is included with the DEA for public review.

In compliance with the National Environmental Policy Act (NEPA) and 40 CFR 1501.4, the DEA and Draft FONSI must be available to the public in the affected area for thirty (30) days for review and comment. Final determination regarding the need for additional NEPA documentation will be made after the public review period, which begins on or about November 16, 2012. Copies of the documents may be viewed at the following locations during normal business hours.

Give living gifts from Arbor Day Foundation

Celebrate this year's holiday season with friends and loved ones while supporting conservation and tree planting with the help of the Arbor Day Foundation.

Returning for the fifth season in a row, Give-A-Tree cards from the Arbor Day Foundation offer a unique holiday giving opportunity with conservation benefits that will endure for generations. For the first time this year, Give-A-Tree cards can be purchased individually and with customized text.

Purchasing the Arbor Day Foundation's specialty coffee helps preserve rain forests in Central and South America. The Foundation's specialty coffee is shade-grown under the canopy of Latin American rain forests. Unlike sun-grown coffee plantations, this traditional shade-grown method gives the coffee a rich and delicious flavor, while preventing the destruction of forest land.

The Foundation's Trees in Celebration program allows the giver to honor loved ones while supporting crucial conservation efforts. For each dollar donated, one tree is planted in a high-need forest, and recipients are given a certificate showing them where the trees were planted.

By giving friends the gift of membership to the Arbor Day Foundation, recipients will also be sent 10 free trees, which will be shipped at the right time of year for planting.

To purchase holiday gifts that give back to the planet, visit arborday.org.
