Leland Hogan, pastor at Carterville Baptist Church recently celebrated 40 years of service at the church. The church congregation honored Hogan and his wife, during the morning worship service and at a celebration following the service. Hogan's three children are all involved in Christian ministry – one in Jacksonville, Fla, and the other two children at Carterville. The congregation presented the couple with a trip to Alaska. Dr. George Berger, missions director for the Lebanon Baptist Assn., and Dr. Jim Futral, executive director for the Miss. Baptist Convention Board, were on hand to applaud Hogan's service. Hogan was also given a scrapbook.
