On the one hand, our 2017 Readers Choice Award winners list in the retail/services area features lots of longtime businesses that enjoy a solid clientele; on the other, we have a bunch of these sharp young cookies making a go of things amid a so-so economic climate. Either side has a lot to gain from the efforts that got their businesses on our roster -- but the list is your creation, because you took the time to seek out La Jolla's best of the best, and you voted accordingly. Thanks for playing, and we mean that!

Weight loss clinics, bookstores, CPAs, banks, physicians, markets, hotels and about 917 more: Here's your ultimate directory of the brightest stars in La Jolla retail, authored by you and your neighbors.

If you're looking for a store that carries that one-of-a-kind gift this season, check out where our readers have found the perfect item. If you're deep into some home improvement and in need of an electrical contractor, see who our readers voted the best in the history of the universe. If your computer suddenly crashed and left you in a lurch, find out who in the Village is known among the readers for speedy, reliable repair.

Above all: If you see a local venue proudly displaying its Readers Choice Award, stop in and pass along your appreciation to the manager. Yeah, you chose the winners, but he's working like a dog to hold up his end of the recognition and make La Jolla a shining example of community business ownership.

Now that you've spoken through your votes, we'd like to take the floor for just a second and thank the business community for its tireless service in making the Village all it can be. In a very real way, every venue in the neighborhood deserves an honorable mention.
La Jolla: The Jewel and its treasures

The people have spoken, the votes have been tabulated and the results of our fifth annual La Jolla-Village News Readers Choice Awards are in! Many are repeat winners, meaningful service and good value are timeless, while others are new businesses that have sparked from the get-go. Our categories cover all the things that residents can find right in La Jolla, from yoga and beauty salons to banks, grocery stores, dry cleaners and everything in between.

Ballots were printed in La Jolla Village News for several weeks and also posted on our website, www.sdnews.com. Although our poll is not scientific, we think it gives a pretty good idea of the people and places that give La Jolla its sterling reputation. We hope these awards show those who aspire to excellence every day and inspire new businesses to go the extra mile — with a smile — in these tough economic times. La Jolla Village News would like to thank all the readers who took the time to single out the businesses and merchants who make the Jewel a precious treasure. And to the winners — we salute you!

In the late 1920s, Grand Master Helio Gracie started developing Gracie or Brazilian Jiu-Jitsu after he realized that he was too frail to utilize the traditional Japanese Jiu-Jitsu techniques. Over the past 80 years, Gracie Jiu-Jitsu has proven to be the most reliable system for a smaller person to defeat a larger, more athletic opponent.
