Welcome to La Jolla

La Jolla, San Diego’s jewel by the sea, is a world-class destination with a wide selection of things to do and see. La Jolla has an appeal that is all its own, a special atmosphere. From the unique architecture to the high-quality boutiques to the sophisticated ambiance, La Jolla is one of a kind. Once you arrive, you’ll know that this is truly a special place to visit.

First of all, the variety of top-notch hotels is amazing, whether it be a seaside inn with an ocean view or a classic setting with elite service. When dining, select from a variety of fine establishments for exquisite cuisine or choose one of the more casual spots for tasty comfort food. You can’t go wrong. And, there’s no limit to who you might run into during your stay. From movie stars to world leaders, and celebrities of all types have been known to frequent La Jolla.

La Jolla is also a shopper’s paradise, so take your time exploring the abundance of boutiques in the Village of La Jolla. View quality art creations at one of La Jolla’s many galleries, or visit the Athenaeum Music and Arts Library. Or, pay a visit to the Museum of Contemporary Art to see some of the progressive artworks on exhibit.

Swim in La Jolla Cove, relax along the beach, tour the Sunny Jim Cave, a natural entryway to the Pacific below. Just a bit to the north is the La Jolla Shores neighborhood. There, you will find a small village with its own vibe. Fine restaurants, boutiques and hotels are also available in this area, along with a quaint, clean stretch of beach. Looking for a little adventure? Try taking kayak, scuba or surf lessons from one of the many businesses that offer training here.

Further to the north are the Birch Aquarium at Scripps Institution of Oceanography, the Torrey Pines Gliderport and the world-renowned Torrey Pines Golf Course, a city-owned course with a breathtaking ocean view. At the very north is Torrey Pines State Reserve featuring fantastic seaside hiking trails and more spectacular vistas.

La Jolla is home to corporate research and development centers, the University of California, Scripps Institution of Oceanography and several top-ranking hospitals.

La Jolla is truly a global destination worthy of its first-class reputation. It’s a destination not to be missed.

Literally named after an offshore rock shaped like a bird, this quaint seaside village is tucked away along the San Diego coast, just south of downtown La Jolla, is Bird Rock: a quirky but laid-back neighborhood known for beautiful ocean views, cozy restaurants, and independent boutiques. The rock has since collapsed, the community has a fascinating history and is one of the most unique and interesting areas of San Diego!
