Fitting more than just your size... Fitting your lifestyle, Fitting your personality,... Fitting you because you are the Queen. Welcome and thank you for shopping SoCal Queen. Life is too short for boring clothes, or clothes that make us feel anything less than wonderful when we put them on to face the world. At SoCal Queen we want to encourage you to go out and be the best you, you can be! I've found certain outfits have made this easier for me and I hope you find yours here. We offer local artist's one of a kind accessories and artwork, because for years I have witnessed so many talented local people that had few forums to display their creations. I especially thought of the wonderful visitors to our area that leave with souvenirs made in foreign countries and think it will be much more of a keep sake if it is from here. I am excited to curate the fashion you find here, being a “plus-size” woman myself. I have found it difficult to shop and be satisfied with the selection in chain and department stores. Teuscher Chocolates

More than 80 years ago in a small town in the Swiss Alps, a master chocolate maker embarked on a path that would make him one of the world's greatest chocolatiers. Dolf thoroughly searched around the world to locate the finest cocoa, marzipan, fruits, nuts and other ingredients and after years of experimenting, skillfully blend them into his now famous recipes. Our kitchens in Zurich today make hundreds of varieties using these original recipes which have now passed from father to son. Absolutely no chemicals, additives or preservatives are used. Always fresh, our confections are prepared each week and flown immediately to our stores in Europe, America, Canada, Asia and the Middle East.
