When it comes to understanding the true needs of customers in Ocean Beach, merchants here have it down to a science. When it comes to retail and services, local businesses know how to tailor their products and services to exactly what it is customers and looking for — whether it be that extra-attention dog wash, your friendly chiropractor fixing that kink in your neck or finding just that right evening gown for a night out on the town.

Ocean Beach business owners also “get it” when it comes to quality customer service, and they strive hard to serve up the finest selections of retail products and to provide the most honest, cost-effective services your hard-earned money can buy.

You’ll find just the deal you’re looking for and the best selection of services here that will help you stop topping off your tank in search of lesser-quality selections.

So when we asked readers to pick the “best of” in the retail and services industries around Ocean Beach, residents were more than a little eager to reward their favorite merchants with a big vote of confidence.

And who would know better than the folks who stroll the streets of our sun-drenched business districts every day, or the neighbors who depend on essential or whimsical services just walking distance or a short bike ride away?

For local business owners, it’s all about building customer loyalty. For customers, it’s all about trust and being treated right — and with respect.

Here, in The Peninsula Beacon Readers Choice Awards 2013, you’ll find the results of balloting covering the gamut of retail and service businesses in Ocean Beach.

The balloting reveals the “best of the best” when it comes to local services and retail that contribute to the well being and a sense of self-betterment — as well as a sense of community.

From the most outstanding work in car care to finding that special trinket to augment your outfit to the best in surfing gear and equipment, readers need look no further than the attentive and dedicated merchants of Ocean Beach.

Inside these pages, you will find the winners of a wealth of categories chosen by our loyal readership, which we value so highly. Take a look inside at this year’s Peninsula Beacon Readers Choice Awards — a true insider’s judgment of the merchants and service providers who are the backbone of the Ocean Beach’s exceptional business community.
