Best Burrito
Taco Surf
The burrito is to fast Mexican cuisine what the hamburger is to the American palate. Each item is incredibly tasteful when its done right — and in the case of the former, Taco Surf nailed it. There’s not much to the décor of the place other than a pick-up counter and a few small tables — but the ceiling is lined with some sweet classic surfboards to fuel the local flavor. The burritos, tacos and fajitas are big and fat, and you get to experiment with a massive choice of toppings. You can’t go wrong with the California burrito, topped with hash browns.

Best Burger
Miss B’s Coconut Club
What you’ll find here is classic, Caribbean-inspired American food with tiki flair. Cubano Roasted Pork, Jerk Chicken and Paella Risotto are in synch with the mambo rhythm of your appetite, and their house-ground burger is one like you won’t find anywhere in town. Jumbo Coconut Shrimp and a list of Street Cart items will have you coming back to try them all, whether you order something “to go” from the walk-up counter. Stay to eat on our spacious outdoor patio, or take a seat inside Coconut Club — the décor evokes a celebration of Mission Beach’s nautical and maritime past, which takes form as an inspired interpretation of a 30’s-style sailor tiki club. Rum is the star here, and has a leading role in our creative list of grownup cocktails, which includes shareable, tiki-inspired punches and bowls to drum up conversations and generate a buzz. Coconut Club is also a purveyor of fuel that fires the craft beer frenzy, with 20 local and microbrew tap handles. You will find them on the corner of Santa Clara Ct. and Mission Blvd. in the heart and soul of north Mission Beach. Come meet Miss B, who’s swaying to a new beat, ensuring that everyone is “Havana” good time.

Family Restaurant
Woodstock’s Pizza
Woodstock’s Pizza has been making its mark on college campuses across California for more than two decades, and PB finally got its own location for families to enjoy. Here, the secret really is in the sauce, which is baked into the folded crust for a spicy kick from your first bite to your last. Founders Chuck Woodstock and Mike Chew committed early on to using only fresh dough and piling on more toppings than their competitors. They also established a family-friendly environment, where parents can enjoy an adult beverage.

The Gourmet’s traditional bakery is renowned for its outstanding French pastries. It’s also a showcase for full-service catering and wedding cakes, which many consider to be the best in the history of the universe. Wash it all down with an espresso drink or a glass of wine, or keep the experience moving with pâté, quiche or imported cheese.

In 2010, Jimmy and Gus led the Shamich family in opening the first CREAM location in Berkeley, California. It was a throwback to their childhood, when it became a “thing” for them to sandwich rich ice cream between mom’s fresh-baked cookies making one-of-a-kind cookie ice-cream sandwiches. They wanted to share these secret creations with the entirety of humanity (or at least Berkeley). They made four promises. The first was to provide premium products made from their own proprietary recipes with superior ingredients. Next, keep prices low so that happiness remains affordable for all. Third, they also wanted to delight each customer by showing the same love you’d show your own BFF. And, of course, a fun and relaxed atmosphere where an impromptu karaoke song and dance session could break out at any moment! One taste of CREAM’s incredible ice cream sandwiches prepared to perfection, and you’ll be at a loss for words. Which is fine, because it’s rude to speak with your mouth full.

Cream
In 2010, Jimmy and Gus led the Shamieh family in opening the first CREAM location in Berkeley, California. It was a throwback to their childhood, when it became a “thing” for them to sandwich rich ice cream between mom’s fresh-baked cookies making one-of-a-kind cookie ice cream sandwiches. They wanted to share these secret creations with the entirety of humanity (or at least Berkeley). They made four promises. The first was to provide premium products made from their own proprietary recipes with superior ingredients. Next, keep costs low so that happiness remains affordable for all. Third, they also wanted to delight each customer by showing the same love you’d show your own BFF. And, of course, a fun and relaxed atmosphere where an impromptu karaoke song and dance session could break out at any moment! One taste of CREAM’s incredible ice cream sandwiches prepared to perfection, and you’ll be at a loss for words. Which is fine, because it’s rude to speak with your mouth full. Even if it’s filled with the most delicious ice cream sandwich you’ll ever have.

Sherwin-Williams is a contemporary paint store with an extraordinary history. Founded in 1866, only one year after the Civil War ended, it entered the market at a time when there was no railroad to the Pacific, no telephones, no electric lights, no automobiles, and perhaps most notably, no ready-to-use paint. Founders Henry Sherwin and Edward Williams set out to invent the product that consumers now use by the gallon every day. Wow! Who knew?
