Ocean Beach Celebrating
125 Year Anniversary

When you reach the end of Interstate 8 and follow the sign that says “Sunset Cliffs Blvd.,” you will find the eclectic little beach town of Ocean Beach, or “OB,” as named by the locals. This laid-back community has the feel of a small town surrounded by a big city — or as “Obecians” like to say, “OB is an attitude, not an address.” Join in the fun as Ocean Beach celebrates 125 years.

Strolling down Newport Avenue (the heart of the business district), you’ll find everything from unique boutiques to killer surf shops — not to mention the largest antique district in San Diego. Take surf lessons or rent a bicycle from one of the local shops. Look down at the sidewalks and read the personal messages on the engraved tiles lining the street and you’ll read tales of a loving community.

For a real taste of local flavor, visit the OB Farmers Market, voted “Best in the State” by Sunset Magazine. Held every Wednesday afternoon for 20 years, this weekly event transforms the street into a marketplace of fresh fruit, vegetables, fragrant flowers, hand-made crafts, and delightful people watching. Whether searching for a local tavern or quiet café, you’ll find it in this beach town.

In addition to the entertaining business district, OB boasts some of the best scenery in San Diego. Awarded “Best Place to Watch the Sunset” by the San Diego Reader, OB offers the exceptional beauty of Sunset Cliffs National Park and the longest concrete public fishing pier on the West Coast, where locals and visitors catch awe-inspiring views of the surf and sunset.

Traveling with your four-legged friend? You’re in luck. Ocean Beach is also home to world famous Dog Beach, a leash-free paradise for your dog. From there, take your dog to a dog wash, then stay in one of our dog-friendly hotels.

If you’re lucky enough to visit OB during the summer, you may find yourself in the midst of the annual OB Street Fair and Chili Cook-Off Festival on the fourth Saturday of June at the end of June. This fun-for-all event features live music on numerous stages, arts and crafts, and lots of fun food. If you stick around for the fourth of July, you’ll catch the famous OB Fireworks. Best of all, though, you’ll see this small beach town in full bloom.

If you wish to sample Ocean Beach before your travels, visit OceanBeachSanDiego.com, where you can preview our little town through a live beachside webcam and find information about where to stay and where to go during your stay.

We hope to see you soon!

Point Loma has so much to offer! One of the best sportfishing fleets on the West Coast: half-day, full-day and up to three-week trips to Mexican waters!

Where else can you have suburban-like living with easy access to the airport, downtown, Mission Bay, SeaWorld and the world famous San Diego Zoo?

Cabrillo National Monument recently completed an extensive upgrade of the area around the lighthouse. On a clear day, the views are breathtaking, from the second-most visited national park in the U.S. (behind only the Statue of Liberty). It also features one of the most interesting tidepools on the West Coast and boasts the best place to watch the migration of the gray whales.

With Liberty Station complete, the combination of a place to live, work and play among the beautiful historic homes and buildings is a great destination point for the entire region.

Shelter Island is a place with some of the best restaurants in the city and great recreational areas for picnicking, boating, walking/jogging and enjoying concerts with “big name” entertainers.

Many beautiful, custom homes and gardens are also located in Point Loma. It is indeed one of the best locations in “America’s Finest City!”

Enjoy the friendliest city:

At every turn, San Diego finds ways to live up to its name — America’s Finest City — and nowhere in our seaside metropolis is that more true than in its bustling coastal communities.

With something for everyone, from art aficionados and wine enthusiasts to club goers and history buffs, visitors can find it all.

As San Diegans are well aware, our city’s neighborhoods have distinct characters all their own. Ocean Beach is a world away from La Jolla, which is a world away from Hillcrest.

For those looking for a vibrant-yet-homey feel, head on over to Little Italy. This colorful neighborhood offers some of San Diego’s best Italian food and friendliest Italian people, with lively events almost every month of the year. Visitors are almost guaranteed to find some kind of celebration here, be it the Sicilian Festival, the Gesso Italiano (Italian chalk art festival) or the Taste of Little Italy.

For a little maritime history and great boutique shopping, visitors can’t go wrong at the Embarcadero. Get your exercise walking through museums such as the Star of India ship and the USS Midway and shopping at Seaport Village. A plethora of outdoor public art draws residents and tourists alike, while the convention center is a major hub for everything from industry conventions to the world-famous Comic-Con. Nearby, there’s Balboa Park. Known as the “Smithsonian of the West” for its expansive assortment of museums and cultural institutions, this gem offers something for everyone at places like the Old Globe Theatre, the Museum of Man, the Reuben H. Fleet Science Center and the celebrated San Diego Zoo.

The cultural celebration doesn’t end there. There is also Old Town San Diego — the birthplace of California. Old Town is a colorful world of fun and entertainment, steeped in history as the California cradle where the first Europeans settled. The finest in professional theater, artisans, galleries and shops are within easy walking distance, with free live entertainment, mariachis, dancers, period-attire docents providing tours and more than 150 shops, award-winning restaurants, 17 museums and historical sites — all just a short walk from the San Diego Trolley Transit Center.

A stone’s throw from here is Liberty Station, another vibrant and ever-growing community that was once the Naval Training Center (NTC) — the heart of recruit training for the entire U.S. Navy. Today, Liberty Station is a civilized community of mixed uses, including a diverse and well-planned retail and commercial district, a promenade that now serves as a mecca for the city’s arts and cultural interests, an educational district, a residential district, a hotel district, an office district and a park/open space area along the boat channel. The NTC Promenade includes a series of historic buildings being renovated for the display of arts, science, culture and technology. It houses theater groups, dance companies, museums, galleries and classes of many kinds.

**BGR**

3960 W Point Loma Blvd, Ocean Beach · 619-222-7300

Our burgers are crafted with the finest beef on the planet. We only use grain-fed cattle; all natural, no hormones, fillers or antibiotics, and most importantly they run free in the fields. Our prime beef is dry aged, blended and ground fresh. The beef is only one component, but it’s the canvas we use. The buns are made for us locally and delivered fresh every day. The tomatoes are the finest available. Lastly, the burgers are grilled to temperature over an open flame -- not fried on a piece of stainless steel. We present to you not a fast food place, not a mass production burger operation, but a “joint” -- one that you can make your own, stay awhile and enjoy the food.

American-style entrees include broiled lobster tail, grilled halibut steak, poached salmon filet with hollandaise, filet mignon Madagascar with peppercorn/brandy sauce, or a New York strip steak.
