Backyard Kitchen & Tap

As its name suggests, Backyard Kitchen & Tap is a chic, yet a cozy coastal American eatery and a natural fit for the laid back vibe of Pacific Beach. Their homemade specialties any time of day and an extensive list of craft cocktails and local beers to choose from. Backyard Kitchen & Tap offers the perfect culinary experience for everyone. Backyard satisifies every palate with scrumptious American favorites and spirits. From their signature selection of flatbreads to an array of steak and fresh fish entrees, you’ll discover a long list of reasons to return for more.

Best Bay View

Ocean’s Coastal Kitchen

Featuring chef-driven, California cuisine as well as a modern, ocean-inspired design. The brand new restaurant offers a memorable bay-front dining experience at an iconic Pacific Beach landmark. Ranging from casual to upscale, the airy waterfront restaurant includes several distinct dining areas such as a quartz-topped cold bar embedded with mother of pearl and sea glass. The focal point of the main dining room is an impressive 800 gallon aquarium, soon the home to fluorescent tropical jellyfish, while a sliding window upstairs affords intimate and structured views of Mission Bay. Executive Chef Steven Riemer’s playful interpretation of classic dishes highlights the purity and flavors of local produce and a commitment to sustainable ingredients. A cold bar with sushi options, small plates and main dishes include the freshest seafood available from the coast of Baja and the Pacific. They also offer an all-new alfresco experience for guests, complete with sleek booths and tables with sweeping panoramic water-front views, along with an adjacent lounge featuring flickering flames from tiki torches and lava rock fire pits.

Best BBQ

Iron Pig Alehouse

The Iron Pig Alehouse serves authentic sweet cooked, smoked barbecue. Their goal is to have you experience what it is like to dine in a modern BBQ joint, coupled with an extensive craft beer program to quench your thirst! They serve only the highest quality beef, pork and poultry. Everything is smoked using oak and hickory for hours. The result is melt in your mouth, authentic (and slightly addictive) modern BBQ.

Best Beer Selection

Tap Room

One look at Tap Room’s beer selection and you will know these folks are serious about their brews. Far from the standard Stellaas and Shocktops, the beer list contains dozens of unique ales for every palate. Don’t see the one you’ve been dying to try? Just send in your request through its website, and it will send you an email when it has on tap. Yeah, you heard it right! You can also check the live beer page. Tap Room updates what it is serving and how much is left before it moves on to the next delicious brew! Who knows for the perfect beer house?

Duck Dive

Welcome to Pacific Beach’s premier neighborhood beach lounge and eatery. As the name suggests, Duck Dive and its ambiance is an ode to the rich surf and beach culture that resides just steps away in the Pacific Ocean and the surrounding neighborhoods and community. From handcrafted surf carrot and custom surf inspired art pieces, to the one of a kind photography, Duck Dive will feel like it’s always summer. Duck Dive offers quality food and beverages without pretense. The menu is compiled of their take on classic American dishes as well as coastal favorites. The cocktail menu provides a refreshing “off the beach” flair on the classics, where they utilize locally sourced produce. Enjoy over 20 beers on draft containing locally sourced IPAs, as well as a few surprises! They serve brunch and bottomless mimosas daily – couple that with their open air concept, and it creates the perfect place for you and your friends to enjoy a relaxing and enjoyable - yet relaxing - experience. Duck Dive is the perfect place to dine with family, catch a game, hold an event, or meet with friends for a night on the town.

Kono’s Surf Club Cafe (tie)

If you like a little dinner with your breakfast, Kono’s is your place. That’s because nobody does potatoes like this eatery, with cheese, bell pepper and whatever other topping you can think of to boot. If you like to big view with your morning meal, this is a winner. Cross the boardwalk and sit on the modest patio that overlooks the ocean. And if you like quotes on the wall of your eatery, you’re in the right restaurant.

Best Burger

Miss B’s Coconut Club

What you’ll find here is classic, Caribbean-inspired American food with tiki flair. Cubano Roasted Pork, Jerk Chicken and Paella Risotto are in synch with the mamo rhythm of your appetite, and the house-ground burger is one like you won’t find anywhere in town. Jumbo Coconut Shrimp and a list of Street Cart items will have you coming back to try them all, whether you order something “to go” from the walk-up counter, stay to eat on our spacious outdoor patio, or take a seat inside Coconut Club’s décor evokes a celebration of Mission Beach’s nautical and maritime past, which takes form as an inspired interpretation of a 30’s-style sailor tiki club. Rum is the star here, and has a leading role in our creative list of grow-up cocktails, which includes shareable, tiki-inspired punches and bowls to drum up conversations and generate a buzz. Coconut Club is also a purveyor of fuel that fires the craft beer frenzy, with 20 local and microbrew tap handles. You will find them on the corner of Santa Clara St. and Mission Blvd. in the heart and soul of north Mission Beach. Come meet Miss B, who’s kayaking to a new beat, ensuring that everyone is “Havana” good time.

Best Burrito

Taco Surf

The burrito is to fast Mexican cuisine what the hamburger is to the American palate. Each item is incredibly tasty when its done right — and in the case of the former, Taco Surf nailed it. There’s not much to the decor of the place other than a pick-up counter and a few small tables — but the ceiling is lined with some sweet classic surfboards to fuel the local flavor. The burritos, tacos and fajitas are big and fat, and you get to experiment with a massive choice of toppings. You can go wrong with the California burrito, topped with hash brown.

Woodstock’s Pizza has been making its mark in college towns across California for more than two decades, and PB finally got its own location for families and students to enjoy. Here, the secret really is in the sauce, which is baked into the folded crust for a spicy kick from your first bite to your last. Founders Chuck Woodstock and Mike Chew committed early on to using only fresh dough and piling on more toppings than their competitors. They also established a family-friendly environment, where parents can enjoy an adult beverage.

Best Martini
JRDN
You can actually credit the Tower’s creative wine list to another establishment in the same hotel. It’s JRDN (or “Jor-dan,” for the purists who prefer the phonetic pronunciation), a high-end restaurant that swears by the magic it performs on beef and other meats. Red wines go swimmingly with that kind of thing — and that translates to a comprehensive selection at the bar (the powers that be didn’t forget the whites, either). Meanwhile, the bar offers a casual, yet sophisticated experience. The atmosphere is warm and inviting and the crowd is hip yet mellower — everybody gets to enjoy an ocean view while sipping signature cocktails and nibbling on sushi.

Best Mexican Restaurant
Pueblo
Just two blocks from the ocean, Pueblo brings a bit of the Baja coast to PB. In a culinary sense, Pueblo reunites the two Californias as they once were, into single territorial palate. Just as would be found on the peninsula to our south, Pueblo’s menu offers dishes derived from the coastal communities of Baja...contemporary chef-driven plates fueled by regional ingredients, emphasizing seafood and lighter preparations...yet often influenced by traditional dishes and spices that celebrate Mexico’s culinary heritage. The restaurant’s two bars, indoors and on the rooftop deck, pour beer and wine from both sides of the border, and also offer a varied selection of tequila and agave-based spirit cocktails. Seating is laid out to seamlessly transition into an open courtyard and rooftop deck, with a design that is airy and modern, yet retains rustic architecture details that inspired the Pueblo name.
