La Jolla's Top Picks of 2014

We asked, and you answered. It’s time once again for you, the readers, to tell us what you like best about the retailers La Jolla has to offer. The La Jolla Village News Readers Choice Awards, your guide to the best of the best in La Jolla and University City, is here.

Many winners have been around long enough to enjoy a solid and loyal fan base. Others are just getting off the ground and are hard at work proving they’ve got what it takes to hold their own among La Jolla’s elite — it must be working, or they wouldn’t be on the list.

Here, you’ll find a rundown of the brightest stars in retail services, from bookstores and markets to banks, accountants, hotels, pet-sitters, florists and everything in between.

If you’re looking for a store that carries that one-of-a-kind gift, check out where our readers have found the perfect item. If you’re deep into some home improvement and in need of an electrician, see who our readers voted the best in La Jolla. If your computer suddenly crashed and left you in a lurch, find out who in the Village is known among the readers for speedy, reliable computer repair.

We’d like to thank you for vetting of the best La Jolla has to offer, and mostly, we want to thank the winners of this year’s awards for continuing to provide the best in service and value and for making our Jewel a shining example of what community business ownership is all about.

The next time you’re out and about in La Jolla and you see a local store or service provider proudly displaying their Readers Choice Award, take a moment to tell the owner or manager that you appreciate what they do! Enjoy!

The La Jolla Wellness Studio is pleased to announce a new addition to their wellness platform, the award winning i-Lipo Xcell laser by Chromogenex™. Cosmopolitan Magazine in their March 2014 issue, calls i-Lipo a “beauty game changer, an in-office renovation that is raising the beauty bar.” i-Lipo is the intelligent non-surgical alternative to liposuction and can be used on both women and men. Dr. Oz says “i-Lipo delivers on its fat reduction and body shaping promises. The La Jolla Wellness Studio is located on Fay Avenue in La Jolla Village and offers a very unique program for fitness, wellness, anti-aging and beauty.

i-Lipo is a revolutionary, non-invasive body shaping and cellulite reduction technology offering safe and pain free body contouring in as little as 20 minutes without surgery and without downtime. This non-destructive approach to fat reduction can be used year-round on all skin types.

The first visit includes a full consultation starting with an electronic body composition analysis. This determines your current level of body fat, muscle mass and water content and sets personal goals to achieve.

Each session consists of a 20-minute i-Lipo treatment to target problem areas. Low level lasers are released though the treatment pads, triggering a chemical signal in the fat cells that breaks down the stored triglycerides into free fatty acids and glycerol, which pass though the cell membrane. The lymphatic system releases the fat from the body immediately afterwards as long as you exercise. The next step in the process is a one-on-one personal training session featuring a patented 30-minute workout process called the MyoMetrix Method™. This will burn off the released fat immediately.

With normal exercise the body will use its store of carbohydrates and sugar as its first source of energy and it can take a lot of time and effort before it begins to burn fat as a source of energy. Using i-Lipo and the MyoMetrix Method™ you go straight into fat burning mode and results are seen immediately. Typically a reduction of 1-3cm is achieved after each session. After a course of 8 sessions you can achieve dramatic results.

i-Lipo is the first direct skin contact laser device designed for fat reduction and body contouring to receive FDA approval for circumferential reduction. Independent clinical studies have shown i-Lipo to be completely safe with no side effects. A pre-sales event is taking place now so if you would like to save on treatment packages call and book an appointment today at 858-444-0340.

Delphi Private Advisors
Combining diverse backgrounds in engineering, business and law, Keith McKenzie, Darren Reinig and Marc Channick founded Delphi Private Advisors in 2009. Starting a private wealth management firm during an economic crisis certainly set Delphi up as an underdog. But the partners trusted in their long-term vision, knowing that while markets rise and fall, their commitment to serving families was steadfast. Blazing forward, the firm was quickly ranked as one of the 50 fastest-growing Registered Investment Advisor (RIA) firms by FA Magazine in 2010, a list Delphi has made multiple times, amidst other awards and media coverage.
