We’re all foodies in our own rights. Sometimes we’re just on the hunt for a quick, yummy pop-in snack or a cool, refreshing ice cream. Other times, we’re looking for that extra-special fine-dining experience to celebrate a momentous birthday, an anniversary or a graduation.

Whatever it is we may be in search of, a cornucopia of smells and taste delights bursts from every corner in the heart of Ocean Beach, where restaurateurs continue to set the gold standard for hungry neighbors and visitors.

The patio-dining experience under the setting sun or underneath a canopy of stars simply can’t be beat, especially when paired with the sweet sea air and the thunder of waves crashing against the shore nearby. In Ocean Beach, the options are virtually limitless.

With a treasure trove of food-related businesses, we asked our readers to pick the “best of” when it comes to restaurants and eateries in Ocean Beach. In this edition of The Peninsula Beacon Readers Choice Awards, readers were eager to weigh in on their favorite Ocean Beach foodie stops and cast their votes for the winners.

Take a look inside and see their choices for the best atmosphere, the best chef, the best burger, the best dessert, the best appetizer, the best comfort food, the best pizza and the best location to people-watch, along with many other categories.

Some of the merchants are longtime community fixtures; others are upstarts eager to win over the hearts and tummies of neighbors. The merchants of Ocean Beach are also dedicated to winning your business — and more important, to keeping it.

Inside, you’ll find the results of paper and online balloting. The results paint a broad canvas of category offerings, from the tastiest yogurt and smoothies to the best Happy Hour and the best wine bar — and plenty more.

The awards served up on the following pages were chosen by our loyal readership, which we value so highly. Take a look inside at this year’s Peninsula Beacon Readers Choice Awards — a true insider’s judgment of the restaurants and eateries that fuel our food passions, fill our bellies and add that extra spice to our beach dining experience.

Congratulations!

Vote to Support Your Local Merchants

When we began our Readers Choice Awards several years ago, we saw it as a golden opportunity to laud our hard-working merchants for the dedication and long hours they endure to bring our community high-quality merchandise, services and food every day. Too often, local merchants don’t get the feedback they need to fine-tune their stores and restaurants to better serve customers. Just as important, we felt readers should have more of a stake in their community and have their voices heard when it comes to picking the “best of the best” in Ocean Beach. After all, we are one big family here in OB. We appreciate your vote when it comes to our Readers Choice Awards and do support local merchants. Your vote counts, and you help inspire our local businesses to continue setting the bar high. Shop local and support your local businesses! And be sure to cast your vote in our next round of Readers Choice Awards!

Best Overall Restaurant

Nati’s Mexican Restaurant

Once again, Beacon readers have said Nati’s Mexican Restaurant is their favorite local restaurant overall, for seven years running! It’s no wonder, though, as Nati’s has been serving the finest Mexican dishes made from scratch with fresh ingredients for more than 55 years. The owners take tremendous pride in serving virtually every dish made to order, including chili rellenos made with fresh chilies while providing patrons with affordable prices. They offer a variety of margaritas, Mexican and American beers, cocktails and wines. Diners may enjoy dining indoor or on the patio. Open daily at 11 a.m. for lunch and dinner.

The European Cake Gallery is as the name suggests, a gallery of delicious cakes and other goodies you are not likely to see at one location. Local favorites include apple, pumpkin, and buttermilk. The Venetian

Even after receiving numerous awards this local Ocean Beach/Point Loma restaurant is still humbled by the continued recognition. This little Italian restaurant has stayed true to its family recipes more than 40 years, pleasing generations of families. Owners Frank and Joe appreciate the local business and enjoy meeting the community that helps their restaurant prosper. The food has best been described as California-Italian, which simply means you can expect great fare without a lot of heavy sauce, the way some other places think Italian should be done. The pastas and chicken entrees will command your serious attention, as will the tidy bar and the family-style menu.

BBQ House

One of Ocean Beach’s best-kept secrets may not be a secret anymore. After 25 years of hard work and dedication from Abdullah and his sons, Davin and Melvin, the BBQ House has now completed it’s 3rd expansion! While still providing the same great-tasting barbeque, they now offer a full bar with 30 beers on tap. The new ambiance provides customers, old and new, with a nice place to get their BBQ fix and cool off with a drink or two after soaking up the sun at the beach all day. Come hang out with them on game days when you’re not at home! We all love the excitement of visiting new places and eating new foods but as travelers we sometimes want the creature comforts of home. This is where the Old Townhouse comes to the rescue … the meals are like they’ve come out of your own kitchen. Enjoy bottomless cups of coffee, breakfast all day, daily specials including biscuits and gravy and specialty omelettes, Mexican breakfasts to get those gastronomic juices flowing and more! Best Italian
The Venetian
Even after receiving numerous awards this local Point Loma restaurant is still humbled by the continued recognition. This little Italian restaurant has stayed true to its family recipes more than 40 years, pleasing generations of families. The Venetian encompasses a great family atmosphere and if you stop in enough you will feel like family too. Owners Frank and Joe appreciate the local business and enjoy meeting the community that helps their restaurant prosper. The food has best been described as California-Italian, which simply means you can expect great fare without a lot of heavy sauce, the way some other places think Italian should be done. The pastas and chicken entrees will command your serious attention, as will the tidy bar and the family-style menu.

Best German
Kaiserhof Restaurant
Kaiserhof is a great family owned and operated German restaurant. A German restaurant would not be complete without wiener schnitzel or jagerschnitzel. It doesn’t get much better than the “wurstplatte” which includes: bratwurst, knackwurst and bauernwurst with sauerkraut and red potatoes and a good German beer. American style entrees include broiled lobster tail, grilled halibut steak, poached salmon filet with hollandaise, filet mignon Madagascar with peppercorn brandy sauce, or a New York strip steak. Dine in or enjoy the beer garden, a lovely outdoor heated area where you can sip a German brew and enjoy a traditional German and American meal. Full bar available.

BO-beau kitchen + bar
Part of the local powerhouse Cohn Restaurant group, BO-beau takes its place as their premiere French restaurant. And this is no mere bistro, we’re talking about classic French cuisine, from starters like escargot with a garlic-herb butter sauce and smoked salmon tartare to main courses of boeuf bourguignon and chicken fricassee and a selection of moules, salads and pastas. But you won’t find any cliché Gallic restaurant snobbery here; everything at BO-beau is done in an inviting, warm and casual dining atmosphere. Entrees will run you between $12-$20, a good bargain for fine French fare.

Ranchos Cocina

In 1995, Marcos Mouet realized his dream of opening a restaurant that served fresh, mostly organic, home-made Mexican cuisine. That dream of making nutritious and delicious food from scratch began when he was a young man in his 20s. He had fond memories of this time, before refrigeration, when most people lived on “Ranchos” and grew their own food. Thus, the restaurant Ranchos was opened with the traditional spirit of the “Ranchos” of Mexico. His continuing vision of creating a real “Ranchos” is on the drawing table. This will be a place where people can reconnect to the delectable visions and aromas of the fertile soil and feel the spirit of what living with nature is like.

Your first glance at this OB wine bar may prompt a certain confusion. You won’t know whether you’ve walked into a bar that dabbles in retail sales or a wine cellar with a drinking license—such is the level of attention this establishment renders for both services. Hundreds of bottles from around the world are there for the taking, surrounded by funky-colored walls and maps of the world’s most well-known wine regions. 3rd Corner serves dinner too, and many patrons making it a habit of ordering a meal and then visiting the racks to pick the wine that goes best with their food.
