Best New Restaurant (Gold)
Fish Shop Point Loma
Between our fish options, seasonings, styles and sides, there are over 2,000 combinations to choose from – there’s a sea of possibilities! The fun starts when choosing from one of our daily selections of fresh fish paired with one of our eight seasonings and a choice of serving styles: tucked in a taco, as a sandwich, in a salad, or on a plate. Lunch and dinner choices can be prepared as lean or indulgent as one wishes, to suit every desire and taste. For starters (or as a meal) we offer our tomato-based Fish Shop soup, our hearty New England-style clam chowder and a rich Fish Shop chowder. The traditional fish ‘n chips is fried, but can be grilled for a lighter option. Low calorie sides, such as our vinaigrette coleslaw, seven-grain steamed rice, and seaweed salad are always available. If it’s a cheat day, however, the house-cut fries, onion rings, or good ’ol mac salad will always please. Among our specialties is the award-winning TKO Taco. The malibu-mahi is marinated in our Fish Shop seasoning and topped with homemade mango salsa – a must! We also recommend the ceviche offered with either malibu-mahi or shrimp, or a combination of the two. Top it off with a generous heap of creamy avocado and you will be hooked! Dine inside or al fresco on our cozy, well lit, heated patio. Enjoy one of the many local and California microbrew beers we offer, or choose from our selection of wines. For a $5 corkage fee, you can bring in your own bottle.
