Cover Artist’s Biography

If our cover art looks familiar, it’s because the artist knows a lot about making it look that way. Oil painter and watercolorist Deirdre O’Byrne has been practicing her craft since her native Dublin youth, drawing from her travels in America and Europe to record both the letter and the spirit of her subjects. The Mission Valley resident paints in the plein-air style – “plein air” being a fancy-schmancy term for “outdoors” – so that nary a sight or sound escapes her attention in translating her fondest, most colorful impressions. You can see more of her work at www.odoodle.com.
PHOTO CARAVAN SAFARI

Point Loma / Ocean Beach Visitor’s Guide • 2009–2010
Discover the Treasures of the Peninsula

Point Loma has so much to offer! One of the best sportfishing fleets on the West Coast: half-day, full-day and up to three-week trips to Mexican waters!

Where else can you have suburban-like living with easy access to the airport, downtown, Mission Bay, SeaWorld and the world famous San Diego Zoo?

Cabrillo National Monument recently completed an extensive upgrade of the area around the lighthouse. On a clear day, the views are breathtaking, from the second most visited National Park in the U.S. (behind only the Statue of Liberty). It also features one of the most interesting tidepools on the West Coast and boasts the best place to watch the migration of the gray whales.

With Liberty Station complete, the combination of a place to live, work and play among the beautiful historic homes and buildings is a great destination point for the entire region.

Shelter Island is a place with some of the best restaurants in the city and great recreational areas for picnicking, boating, walking/jogging and enjoying concerts with “big name” entertainers.

Many beautiful, custom homes and gardens are also located in Point Loma. It is indeed one of the best locations in “America’s Finest City!”

Enjoy Your Visit to Ocean Beach

When you reach the end of Interstate 8 and follow the sign that says “Sunset Cliffs Blvd.,” you will find the eclectic little beach town of Ocean Beach, or “OB,” as named by the locals. This laid-back community has the feel of a small town surrounded by a big city — or as “Obecians” like to say, “7 square miles surrounded by reality.”

Strolling down Newport Avenue (the heart of the business district), you’ll find everything from unique boutiques to killer surf shops — not to mention the largest antique district in San Diego. Look down at the sidewalks and read the personal messages on the engraved tiles lining the street and you’ll read tales of a beloved community.

For a real taste of local flavor, visit the OB Farmers Market, voted “Best in the State” by Sunset Magazine. Held every Wednesday afternoon, this weekly event transforms the street into a marketplace of fresh fruit, vegetables, fragrant flowers, handmade crafts, and delightful people watching. Whether searching for a local tavern or quiet café, you’ll find it on this animated avenue.

In addition to the entertaining business district, OB boasts some of the best scenery in San Diego. Awarded “Best Place to Watch the Sunset” by the San Diego Reader, OB offers the exceptional beauty of Sunset Cliffs National Park and the longest concrete public fishing pier on the West Coast, where locals and visitors catch awe-inspiring views of the surf and sunset.

Traveling with your four-legged friend? You’re in luck. Ocean Beach is also home to world famous Dog Beach, a leash-free paradise for your dog. From there take your dog to a dog wash, then stay in one of our dog-friendly hotels.

If you’re lucky enough to visit OB during the summer, you may find yourself in the midst of the annual OB Street Fair and Chili Cook-Off at the end of June. This fun-for-all event features live music on numerous stages, arts and crafts, and lots of fun food. If you stick around for the 4th of July, you’ll catch the famous OB Fireworks Festival. Best of all, though, you’ll see this small beach town in full bloom.

If you wish to sample Ocean Beach before your travels, visit OceanBeachSanDiego.com, where you can preview our little town through live beachside web cam, and find information about where to stay and where to go during your stay.

We hope to see you soon!

Nick’s at the Pier
5083 Santa Monica Ave., OB • 619-222-PIER (7437)
In Ocean Beach, it’s déjà vu all over again. “The new Nick’s at the Pier may sound familiar, because it’s very much like Nick’s at the Beach, the original in P.B.,” San Diego Magazine restaurant critic Robin Kleven Dishon said. “Nick’s at the Pier took over the old Quigg’s building that some people might remember had a prime location at the foot of Newport and Santa Monica. “The cuisine at Nick’s at the Pier is quite familiar. “You’ll still see the old fashioned meat loaf, and some of the best onion rings in town. For $4.95 a basket, you can’t go wrong with these,” Dishon said. Nick’s at the Pier definitely has an O.B. hang loose vibe to it, but the menu is a bit more upscale.
